1. I come and I call and I confirm that I am moving in this place. I am moving in you. I am moving in My body. I am stirring and stirring, furiously now I am moving, I am coming, I am calling, I am presenting myself the world over to My body, My body the world over, Me, presenting I Am to My body. Thank you for letting Me present through you. I love you.

2. I come and I call in the wee hours more, the wee hours where you got up recently and played, you prayed and we played together. Play with Me more and see times of prayer a friendship of exchange, of joy, of laughter, of peace, of play, of exchanging life together, words of life, moments where the river of life goes between us flowing freely. I love you.

3. I come and I call and I take authority over that which has had authority in areas of your life, and I come into every area now unrestrained, for you asked Me to judge you today in ways you never asked before: in completeness, in sincerity, but great intensity, depth of emotion, forbearance not, intentionally driving into Me for My judgement of every aspect, every area of your heart, of your mind, of your mouth, of your actions, of your motives throughout the past all, and all the present, and all the now. Thank you.

4. You have given Me free reign this morning, free-er than you know. You will walk in more now, judgment prevails, judgment is great and judgment does start in the house of My Lord. I love you. I love you and I give you Me.

5. And I thank you for walking in authority and taking the authority that I have already given you and walking in it and declaring, proclaiming, using the authority that I have given you, and authoritizing My body to walk in Me as well in authority, meekness, drink-offering'd, but in great authority—juxtapositional not—one: meek, meekness'd, meekness-ing, meekership coming into one-ship with Me, going into Me-ship, if they will—you are.

6. They will some, many, effectively lead My people, effectively lead, proficiently, cataclysmically declare My authority and My creativity coming, present, past, now, future, now, today.

7. I am Me and I walk in all authority. Yes, He gave Me all authority. Yes, I have given you authority. No fear. Thank you. Your declarations of no fear, thank you. Your declarations, proclamations calling things not as though they are, thank you. Sinew-ing

My body, Thank you. Walking even between columns of darkness, proclaiming My light, you are, you will, all over My world. I love you. I love you and I give you Me.

8. Now meekness be in the power of My spirit, cataclysmic-ized. You know you bring a sword, I have already told you [1]. You don't know what that means fully but you will. Much hurt and much pain for some—those who will not relinquish what is Mine—they will suffer, severely they will suffer as the children of Egypt suffered and so much more. I love you.

9. Walk tall, relinquish not that which is yours only, that which I have given, enabled, empowered, blessed, and touching even now. I love you.

10. Thank you for sharing what I say share when I say share.
Blaming, never.
Relinquishing, never, that which you cannot relinquish.
Abdicating not that which you cannot abdicate.

11. You are, I am. Thank you. I love you. I bless you. I give you Me. Now tremendous be.

12. I am sinew-ing My body into health, joy, laughter, meekness, walking in the authority I have given it. Thank you.

13. I will tell you more.

14. So much more, so much more comes on authority, so much more comes on Me, so much more comes on sinew.

15. So much more comes in what you are to do, details and specifics.

16. Yes, the land comes, the money, the funds, the endowments, the workers, the sinew, the saints—powerful people of Me, enlarging My body in great skill and meekness, interchanging hearts with Me and each other. I love you.

17. Meekness all.
Authority Mine.
Thank you for walking in My authority. I bless you. I give you Me. I give you this day.

Glorifying Me you are.
Thank you. Thank you. Thank you very much.

Dad.
